Subject: Approval of Notice of Intention to Commence Large Mining Operations (NOI) and Reclamation Surety, Graymont Inc., Cricket Mountain Quarry, M/027/006, Millard County, Utah

Dear Mr. Robison:

The Division has received the reclamation surety for the Cricket Mountain Quarry and two copies of the NOI. The Division now permits you to begin mining operations as outlined in your Notice of Intention to Commence Large Mining Operations (Notice) for the Big Sage section of the Cricket Mountain Quarry. The permitted disturbed area of Big Sage is 611 acres. A copy of the executed surety documents will be forwarded to the School and Institutional Trust Land Administration (SITLA) for their records. The surety will be reviewed periodically to assure that the bond remains adequate.

The approval or acceptance of a complete Notice does of intention not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Enclosed are copies of the signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed is a copy of the "approved" Notice. Please keep your plan current by submitting changes using Form MR-REV-att, which is located on the web at www.ogm.utah.gov.
